

actual virus mechanisms. The IS of identity is in point of fact the virus mechanism. If we can infer purpose from behavior, then the purpose of a virus is TO SURVIVE. To survive at any expense to the host invaded. To be an animal, to be a body. To be an animal body that the virus can invade. To be animals, to be bodies. To be more animal bodies so that the virus can move from one body to another. To stay present as an animal body, to stay absent as antibody or resistance to the body invasion.
